At 07:00 on Thursday 12th February, watch the first exciting footage of SPECTRE from Austria on www.007.com. Featuring behind the scenes action with Daniel Craig, Léa Seydoux, Dave Bautista and Director Sam Mendes.

Associate Producer, Gregg Wilson says "We have to deliver an amazing sequence and this is going to be one of the major action sequences of the movie, a jewel in the crown so to speak. It's going to be spectacular and Austria seemed to offer everything that we needed to pull it off."

Production Designer Dennis Gassner adds, "The thing that Sam and I talked about was how we are going to top SKYFALL, it's going to be SPECTRE and so far it's a great start. I think that we are going to continue the history of the Bond films, making things that are exciting for the audience to look at and what could be more exciting than to be on top of the world."

SYNOPSIS:

A cryptic message from Bond's past sends him on a trail to uncover a sinister organisation. While M battles political forces to keep the secret service alive, Bond peels back the layers of deceit to reveal the terrible truth behind SPECTRE.

SPECTRE will be released on November 6, 2015
